## **Editorial**

*As the new editorial group, over the last few months we have been busy learning the ropes from Pat and Eirwen McDermott, the retiring editors, for the ongoing production of the Halkyn Mountain News. As we have begun to digest the timescales, lists, contacts, publication processes, and distribution routes, the scale of the achievement of Pat and Eirwen over a period of 14 years has become apparent. They have worked tirelessly in the background while many of us have given little thought to what it takes to produce each edition of HMN. Also working in the background on the publishing side, supporting the Editors has been Jack McIntyre and we are pleased that he is happy to continue to support our new team.*

*While HMN is truly a community effort, with many contributors, advertisers and a small army of individuals who deliver the 1,800 copies in all weathers, Pat and Eirwen have been very much at the helm. Their enthusiasm has been infectious and we are very appreciative of the encouragement they have given us.*

*On behalf of the Halkyn mountain communities and also of some former residents now further afield, we would like to express our sincere and special thanks to Pat and Eirwen for all their hard work, determination and for 14 years of voluntary and dedicated service. We certainly have some rather large shoes to fill!*

*To all the contributors, deliverers, and advertisers, we look forward to working with you and appreciate your continued support. To all readers, we hope you will continue to enjoy HMN and we would welcome new contributions and ideas.*

*Best wishes for the festive season!*

## **Grosvenor Estate Update**

During what seems to have been a particularly long summer and mild autumn this year, many local people and visitors have been enjoying the Common. Making sure that they can do so safely is a priority for us. We take much pride in managing the area carefully to enhance the safety of everyone who uses the land for leisure or work, as well as to protect the environment.

With this in mind, we have - as many of you will be aware, put in place an extensive programme to fence potentially hazardous mineshafts. This programme is nearly complete, but we will continue to upgrade or replace fencing as required.

On the matter of fencing, we are still in discussions with external consultees about erecting a fence around part of the Pen-yr-Henblas quarry for safety purposes. Community and county councillors, and the graziers have been also consulted. We will keep you posted on progress in future editions.

We recently held a session for stakeholders who have an interest in how we manage the environment and health and safety on Halkyn Common. This was attended by representatives from a number of organisations including North Wales Police, Natural Resources Wales and The Coal Authority. The session was very successful and we had positive feedback about our ongoing management programme for the area.

We have produced a short video which gives an overview of how we approach health and safety and general management issues on the Common. You may indeed have seen our cameraman out and about over the summer and we thank everyone who helped with the filming. We will be making the film available online very soon, so please do watch this space.

As the Festive Season is upon us, may we end by wishing you all a wonderful Christmas and a happy New Year.

## **Apologies**

Unfortunately, due to circumstances beyond our control, not all of our contributors received a reminder of the deadline for sending in their articles and, although we tried to recover the situation, there are some items you would normally expect to see which we have had to do without this time round.

However, we are sure you will find enough of interest inside and you might be inspired to contribute something yourself to a future edition.

## **Halkyn County Councillor**

It is a great pleasure to thank publicly a group of very public spirited youngsters from the Mountain who, under the guidance of Mrs. Lynne Fernhead, painted the roadside marker stones beside the road leading from Rhes y Cae to the T-junction near the Pant y Pwll Dwr quarry last August. They gave up their free time during the school holidays to do this essential service. Not until one is driving in thick fog along this road (and other roads on the Mountain) is the value of these marker stones realised. I had made two abortive efforts to persuade the Highways department to perform this vital service but to no avail (reason - no money).

In addition to this invaluable service these youngsters, associated with saint Paul's church, Rhosesmor, also organized a superb evening with entertainment and refreshments for local residents in Rhosesmor Village Hall. We must congratulate them on their initiative and we thank them heartily for their kind thoughtfulness. It seems to be a fact of life that only bad news attracts the readers of newspapers but many selfless acts of kindness are performed by our young people without receiving any mention. We should be very proud of all the young people in our area, both as individuals and those who are members of organisations like the Guides and Scouts and related groups.

More recently, a special function was held in Rhes y Cae village hall. When I arrived at this event I thought I was dreaming, there were three tables running the length of the room set for refreshments for about 70 people. They were attending the fascinating composite film called "Times Past" which Mr Graham Wright had put together. Various activities and many local folk appeared on the screen. It was interesting and caused many a good laugh. It was wonderful to see so many people gathered together for an evening of good entertainment and the reminder of many long forgotten friends and neighbours. There are not that many people living on or near the mountain, in fact there is a good possibility that, after the present review of local government, Halkyn Mountain ward will be combined with another adjoining ward. For its small size, in population, the area is full of action as is seen by all the activities which are held in the village halls. Long may this state survive any future reorganisation.

Mention was made earlier of the Highways department, and it would be very remiss of me not to thank our area manager/team leader Mr. John Williams. With a limited workforce and an increasingly tight budget he makes every effort to attend to an enormous number of problems connected with our roads. All too often all that can be done is a 'patching up' exercise but patches are only a temporary and not very satisfactory solution.

The cattle grid at the top of Martin's Hill and the manhole cover and structure in the middle of the T-junction in the centre of Pentre Halkyn have been completely renovated and hopefully will endure the stress and strains of heavily laden lorries passing over them daily in great numbers.

The problem of the common-land is always with us. In previous times the commoners and graziers managed the Common quite efficiently. Any small problem could be dealt with locally and competently as and when required. Unfortunately, the number of graziers using their rights on the Common have reduced drastically. The consequence is that some areas are seriously under-grazed with the result that gorse and other invasive flora are taking over. In times past graziers would burn the gorse in the right season, when there was less danger of harming wildlife. Today, there are so many regulations emanating from of the European Union, Natural Resources Wales and other bodies that graziers, and indeed any one with a genuine interest and concern for the Common, is too scared of infringing rules and bye-laws to take remedial action themselves. Sadly, Halkyn Mountain Common has become an area of conflict of ideas; as a result the Common suffers. Yet again it is necessary to remind ourselves that the Common is really a working farm, concentrating on sheep. Recently there have been cases of sheep-worrying, with the resulting injury and even the loss of an animal. It is vital to remember that sheep belong to somebody; the loss of a ewe could mean the loss of £100, the loss of a lamb could cost the farmer anything from £50 to £70. That is why it is so important, in fact mandatory, that dogs are kept under strict control, on a leash. Probably 99 per cent of dog owners act responsibly, there are just one or two people, probably from outside the area, who do not observe the rules. We must remember that rearing sheep and other animals is a livelihood for some people. The other problem is the increase in the number of cars, quad bikes and motorcycles, which are definitely not allowed on the Common - again, probably outsiders who wrongly assume that the Common is anybody's land to use as any individual wishes.

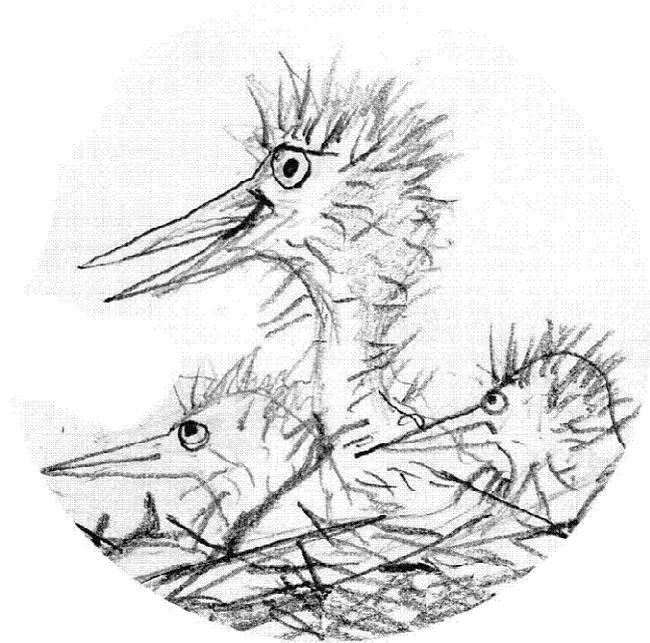

May I again urge everyone to be a good neighbour, especially to the elderly and the infirm, when the really bad weather arrives. One cannot assume that everyone prepares for a 'cold snap' or to be snowed in and lays in a small stock of food and other essentials for such an emergency to last a few days at least.

May I wish everyone a pleasant and peaceful Christmas and all good fortune in the New Year.

Your's cordially,  
*Colin Legg (County Councillor)*

## **Interview with Steve Blakesley**

Author & Illustrator of "Fidget The Heron"

I met with Steve Blakesley at his home at Rock Cottage, Rhosesmor. Steve is both Author and Illustrator of 'Fidget the Heron', his first book for children. I asked Steve, who is better known as a writer of comical poetry, what had inspired him to write this book. He explained:

"Our wonderful grandson, Theodore was born in May 2012. My son and his wife live in London close to Epping Forest which has many stretches of open water. On our first visit to meet Theodore, we walked by the still waters of the mere. At first I missed it because it was so still that I took this prehistoric bird to be part of a dead tree. But that's where I saw Fidget.

The thought hatched in my mind that a hyperactive heron would probably go hungry unless he learnt the trade- so to speak! So I sat down and wrote the poem, *Fidget The Heron*. The poem became a story; the story grew pictures in charcoal and watercolours and it became a book.

The book tells the story of a young heron who thinks he knows better than his mum. She tries to tell him that herons hunt by keeping very still. Fidget finds that hard, so by turns, he tries to copy kingfishers, ospreys and gannets. He fails each time. Having to admit failure, he returns home but things go from bad to worse as he gets trapped in the river. Luckily, Fidget finds that every cloud has a silver lining."

I asked Steve about his poetry:

"I have always written poetry, but had previously thought it kinder not to inflict it on anyone. In recent years, after a stressful day at work I used it as a release of tension - and thus, therapy too.

In fact, I found the more stressed work made me, the funnier my poems became. So now I go around schools and share my story with children from ages 5 to 8. I help them write their own poetry and they also draw pictures of *Fidget*. Some even buy my book which I happily sign for them. I have also set up a website where some of pictures drawn by the children can be seen and where the children can visit to learn more about herons. I hope children can relate to Fidget as a book character - either because they have seen herons at local ponds on Halkyn Mountain - or because they are fidgets themselves!

Heron are endemic to Britain and the world - in fact the only continent without herons is Antarctica."

Has Steve any plans to write further books?

"Fidget the Heron was originally intended as a book for Theodore and is dedicated to him. The success of the book is an added bonus and, inspired by the arrival of his little brother Darwin, I am already working on a second book of Fidget's adventures. I also have a seagull at the back of my mind with an eating disorder.

Caroline at Mold Book Shop has been very kind in selling copies for me. Supporting local businesses like hers and those who advertise in HMN is good for our community."

Steve's website is at: [www.fidgettheheron.co.uk](http://www.fidgettheheron.co.uk)

## **Sharing Memories**

There are so many people living on the mountain with wonderful memories and stories to share; many that are probably not heard very often. We thought it would be a wonderful idea for people to come together and share their stories; they can be written into articles that would be published in the Mountain News. This would be part of the community history of the Mountain for everyone to enjoy for many years to come.

If you have a story or memory you would like to share, or if you would like to hear from others, then why not come along on Sunday 18<sup>th</sup> January 2015 for our first get together? We will be meeting from 2.00pm until 4.30pm at Halkyn Village Hall.

If you would like to come but struggle with transport we may be able to help; please call Jay on 01352 780120.

## **Halkyn and District Over 50's Group**

This group was originally formed in September 2009 by a number of people living in the Ochr-y-Bryn housing complex in Halkyn. It is presently looking to attract new members, both male and female, from the whole of the Halkyn Mountain area and beyond.

Thanks to the hard work done by some members of the group, generous funding has made it possible to attract many lively and interesting speakers to its meetings.

As well as a monthly meeting, this friendly and enthusiastic group arranges regular outings throughout the year, and in the past, members have enjoyed great days out in places like Keswick, York, Portmeirion, Holmfirth and Cardiff.

As well as these enjoyable trips, either by coach or train, the group has visited various theatres to enjoy productions such as 'The Mousetrap' and 'Dreamboats and Petticoats'. Children, friends and members of the family are also welcome to enjoy these activities, school holidays permitting.

This is a friendly and lively group which will be delighted to welcome new members.

The old venue used to be the village hall in Halkyn but, from October onwards, they will meet in a new – and very welcoming – venue, The Bluebell in Halkyn.

The group meets on the first Monday of every month at 2 p.m. The highlight of the meeting is usually a talk by various speakers covering a variety of interesting, informative and lively topics. This is followed by a cup of tea or coffee and a friendly and fun chin-wag!

So, don't miss the opportunity to get out of the rut and meet old friends and new on the first Monday of the month at 2 p.m. at the Bluebell in Halkyn.

For further information, please contact Ron Thomas on 01352 781038.

## **Halkyn W.I.**

Our last three meetings have been very enjoyable, giving us a look at papercraft, the wonders of Iceland, and Mountain Rescue.

Our next meeting, in November, will be our AGM, followed in December with a Christmas evening of music and singing.

A trip to Tweedmill will also be in November and we begin our Christmas countdown by visiting Bethesda Chapel in Mold for our well-attended Carol Festival in the beginning of December.

We meet on the first Thursday in the month and enjoy our Craft and Chat class on the remaining Thursdays, the times change with the season.

All are welcome to visit us as a guest before committing to a membership. Contact Averil Woodfine on 01352 780918 if you are interested.

## **Blue Bell Walks**

The Walks for Health over the last three months have been blessed with good weather and they continue to flourish. It was with great sadness that after just celebrating our 10<sup>th</sup> Anniversary of the Blue Bell Walks we experienced our first accident which happened 10 minutes into our last summer evening walk. We wish Peter Thomas a speedy recovery. Unfortunately he missed a lovely Hot-Pot Supper.

For the third year running, the great Welsh novelist Daniel Owen was remembered during a Daniel Owen Festival walk on Halkyn Mountain. His parents lived in Wern-y-Gaer before moving to Mold.

The Thursday afternoon and Saturday morning walks continue whatever the weather. Walkers now come prepared for the worst and keep smiling. An easy 60-80minute New Year's Resolution Walk will take place on Tuesday 2<sup>nd</sup> January at 11am. Season's Greetings to all and we hope to see many new faces in 2015.

## The Red Lion

The Red Lion, Rhosesmor has been refurbished. "The beige box is gone" says manager, Natalie "the beams have been painted darker to reinstate the character of the pub"

In addition to this, a new commercial kitchen has been installed. "We are really excited about starting food. We are hoping to have bar food available shortly" says Luan. The games room has been transformed into a stylish, intimate dining area for restaurant food. "Our aim is to source the best local produce wherever possible, for example, the cheese board will sample a variety of very different tasting welsh cheddars, including a delicious black cheddar" says Luan "a great emphasis will also be placed on the food being homemade; homemade burgers, coleslaw, pies and soups. It's a really exciting time for us."

The management of the Red Lion advise people to check their Facebook page (search RedLion Rhosesmor) for more information regarding the launch of food at the pub including special offers.

### SPECIAL OFFER FOR HALKYN MOUNTAIN NEWS READERS!

If you bring your copy of Halkyn Mountain News to the Red Lion in January 2015 we will knock 10% off your food bill. Booking advised.

### Charity

This year our patrons have raised HUNDREDS of pounds for a number of charities. The majority of cash raised has been donated to MacMillan Cancer Care, a fantastic charity that offers support to cancer patients and their families.

The first event was a charity leg/chest wax. It was a fun event that a few of our locals got involved with.

Qualified beautician, Tasha Southern, volunteered her time and resources for the cause and we are very grateful. DJ Russ had 'The Red Lion' waxed off his chest. "Yes, he made a big thing of it jumping around and shouting..." laughs Natalie "...but hey, we can't get him a staff t-shirt big enough!"

The Red also held a coffee morning for MacMillan. Locals and staff made cakes to be sold. Coffee mornings always have a lovely atmosphere and are a great way to keep in touch with friends in the local community.

## **Blue Bell Inn**

This time a year ago I was making excuses for the lack of a Post Office and embarking on a trip to find some new coffee. Well here we are again but no excuses this time, some great 100% arabica coffee unique to us, plenty of teapigs tea and a Post Office that is being visited on a regular basis by many on and off the mountain and from as far away as Liverpool! If you fancy a natter while visiting the Post Office you'll be able to do it in front of the fire with a nice warm cuppa! Getting here is easy enough, the bus stops right by the door, or you can park off-road in safety and of course we're a short walk or ride for many over the mountain.

Our last quarter was a bundle of fun, plenty of stunning music, walking, conker championships, South African barbecues and cider making thrown in for good measure all sprinkled with glitter from Glitterbugz! The music was raised beyond our usual top quality by the welcome annual visit from our American friends the Ronstadt Generations (Linda's brother & his sons) with special guest Alex Flores (a fantastic saxophonist from Tucson Arizona) and three wonderful musicians drawn from our regular music evenings (Graham Bellinger, Adrian Dear and Mick Green known collectively as The Deportees) who together gave us a fantastic night to remember. Once again we heard comments from more than one source saying 'that was the best music I've ever heard in a pub!'

### **Christmas, Big Carol & All**

You will be aware that we run many regular community events throughout each month but this time of year brings us one or two special extras. Two regular events in our festive calendar will once again be repeated, as you know we like a bit of singing!

The main event is our annual **Big Carol** event which is always on the last Sunday before Christmas Day (**8pm on Sunday 21st Dec**) and raises much needed funds for Age Concern NE Wales and we set about raising it by passing the bucket while we sing from a wide repertoire of carols and festive songs. Big Carol seems to be growing and not just due to the mince pies, the two bars are usually bursting with singers. The Rev'd Hugh Burgess typically conducting operations in one bar while I (Steve) conduct operations in the other. It usually starts well with all singing the same songs in the same time and key but usually ends up with much laughter and competition to see which bar can out-sing the other. It's the event for me that says it's Christmas!

We are hoping to sneak in another event, as we are hoping the Mari Lwyd will make an appearance again this year. We'll keep you posted about them in the usual way (see below).

New Year's Eve will be celebrated in our usual fancy dress style with the theme this year being drawn from the Waddington's Monopoly game!

### **Halkyn Christmas Pensioners Party**

The Christmas Pensioner's Party is run by a group of regulars at the Blue Bell Inn for Halkyn's senior citizens. We provide the premises for free and, through kindly donations through various events like our conker competition and a hamper raffle, the regulars collect enough funds to gather the ingredients to cook a full Christmas meal and provide a little something for folk to take home. The team cook various parts of the meal themselves, bring it up to the Blue Bell Inn to plate up and present it to the happy throng. They just do one sitting and that obviously doesn't cater for all the pensioners on the mountain so we alternate those who are invited each year so everyone eventually gets a turn. If you are receiving state pension and you haven't been contacted about the party, do ring us on 01352 780309 and we'll pass on your details to the team and get you on the list as soon as we can.

### **Music**

Our music here at the Blue is of a superb quality with the majority of musicians and singers making a living from their session quality music and we provide it for free (although you do get the chance to contribute to and even win the raffle)! We've had some tremendous special events from Tish Hinojosa and Anny Celsi from the USA along with the Ronstadt Generations and Alex Flores from Tucson Arizona, Four Rose Price events with Adrian Dear, Ian Jones, John Warburton, a Beatles Night and Welcomme, Finnan & Chrimes, Al Tunstall, The Cheesecutters, Helen Maher and Morris Dancing, distributed across our equally fantastic regular events. I hope you can get down to our folkish type music every Thursday from a variety of regular singer songwriters, Allan Murray's singing nights every other Saturday, Trad Jazz every Sunday afternoon and the Rantin' Dogs monthly on the 2nd Monday.

*Roger Hampson update:* well I'm pleased to be able to say that Roger's operation was a success and the tumour benign but we're still no nearer hearing Roger's fine music at the Blue. His great friend Allan Murray has been visiting him and as he plays the same keyboard he has been helping him find his way around the machine in the dark so we're hopeful. We are also hoping we might see him before too long and hope you can make the special benefit night planned for him on the evening of Saturday 6th December, where Allan will be at the keys and we'll be singing out loud for Roger while raising some funds to help his Christmas be a little brighter. Our warmest thanks to Al Tunstall, a master of the keyboard, coming all the way from Betws y Coed for the monthly injection of song to keep us going.

### **Wednesday Quiz**

The hour has moved on and the nights are drawing in so our Wednesday night walkers have turned to our Wednesday evening quiz for their fun and you should come and join them, they are a friendly lot and like our teachers teams they would enjoy the challenge.

### Free Guided Walks

You know walking is good for you, it keeps you fit and active and best of all, here at the Blue Bell Inn, it's free! We held a special walking festival to celebrate a decade of free walking and keeping fit and had the wonderful surprise of actually seeing the mid-summer sunset this year which was later topped off by a visit from the Green Goddess! (Picture below)

I must thank very much all our stalwart walk leaders who continue to give their time for free to give you some free exercise. I'll not name them for fear of missing some out but John & Vicky Thomas continue to inspire many to get fit and then go on to take the free training to become walk leaders themselves. We continue to walk every Thursday afternoon at 2pm and Saturday morning at 10:30am with two walks each day, one demanding, the other demanding enough!

Vicky also holds **free Nordic walking sessions every Saturday at 1pm**. Nordic walking is tremendous exercise and we'll teach you for free and provide some Nordic walking sticks too!

The first week in January will also see us on our **New Years Resolution Walk**. If you would like to **get fit** and would like to do it **for free**, then get down for a taster on **Friday 2nd at 11am**.

2015 should bring some fun walks with a special Halkyn Heritage Project which will hopefully see some walks to at least interest the geologists, archaeologists and ecologists among you!

### New stuff

On the subject of new events, we're anticipating a new creative writing course early in the year, a monthly philosophical discussion night (let me know if you are interested in restarting this thought provoking night), the possibility of a backgammon club and/or a bridge club and/or games club. Of course we've already started with the Halkyn & District Over 50s Club meeting here on the first Monday of the month at 2pm with some very good speakers.

### What Nice Weather

Anticipating some changes with the unseasonably warm weather this year we've instituted our usual weather planning ideas given to us during one of our Friday night tea-time discussions. The road is always clear here as we are lucky to have the gritting depot at the bottom of the mountain, so...

**PARKING:** if you can park considerably please do use our car park if you can't park at home (please leave your phone number so we can contact you if the need arises - our delivery wagons are large and you park at your own risk).

**PARCELS:** If we're in (and we usually are) have your parcels delivered here and come and get them during opening hours (or ring on 01352 780309 if it's urgent). It doesn't have to be limited to Royal Mail or Parcel Force either!

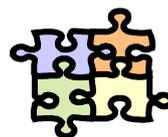

If you've any other ideas like this, let us know and we'll endeavour to help.

Not having the room to open a shop here we're doing our best to provide some new services. Mostyn Kitchen Garden's Philip Handley delivers some wonderful fresh seasonal veg, all grown on organic principles, he delivers to order for folks to pick up from the Blue on Friday evenings (or at home if you're enroute and available), pop in for a copy of the latest veg list. Let us know if you have any other ideas.

I'll sign off now by saying that we're open at weekdays (except Tuesday) & at weekends where the log fire is lit, the kettle is boiling and our real ales & ciders and other quality fayre are just asking for your company. The best way to keep up to date with our many events (and festive opening hours) is to come and pick up and take away an events sheet from a table here or go on-line to [halkyn.org](http://halkyn.org) or search on Google for *Blue Bell Halkyn* to find our own calendar. You can of course always give us a ring on 01352 780309.

Can we (the team at the Blue) wish you a warm and friendly Nadolig Llawen a Blwyddyn Newydd Dda. Merry Christmas and a prosperous New Year. Diolch i chi am eich cefnogaeth yn ystod y flwyddyn. Thank you for all your support throughout the year.

See you at the bar.  
*Steve Marquis*

## A Few Words From Ginnie

A passing walker told me about Halkyn Mountain News and suggested I contribute. I expect he thought a donkey of my age would be able to provide a few wise words. So with the help of a human friend, I thought I would have a go.

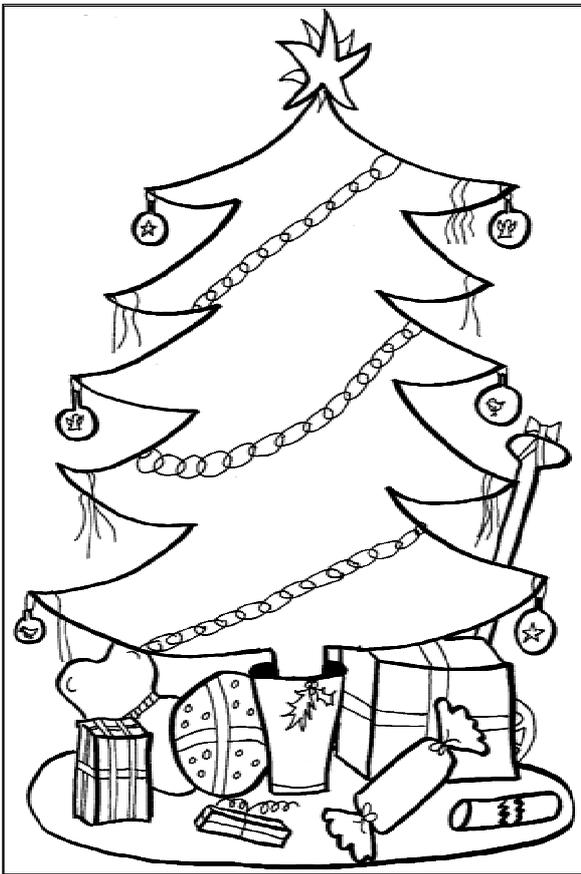

As an elderly donkey, I have seen many coming and goings on the mountain over the years. I am always happy to greet children who visit me, especially as many bring me tasty carrots and apples. I have been on the mountain so long that some of the children who used to visit me, now bring their own children. My sight isn't what it used to be, but my sense of smell is as sharp as it was when I was just a little donkey. The smell of fresh hay has the magical effect of making me forget any aches and pains and I can scurry back to my stable almost as fast as my son, Danny.

On a clear day, and if I squint, I can see a place they call the village and a place they call a church. Apparently, villagers meet there on Sundays to bray together. Danny and I bray together every day but mainly outside rather than in. I haven't been to the village very often and certainly not for many years, but I can see

donkey-less carts travelling fast through the village making a lot of noise. In my grandmother's day, we donkeys pulled carts and travelled from village to village, but I was raised in this leisure age and have been able to be a stay-in-field Mum. Although Danny is now in his twenties, I still have to keep him in check with an occasional nip on the ankle.

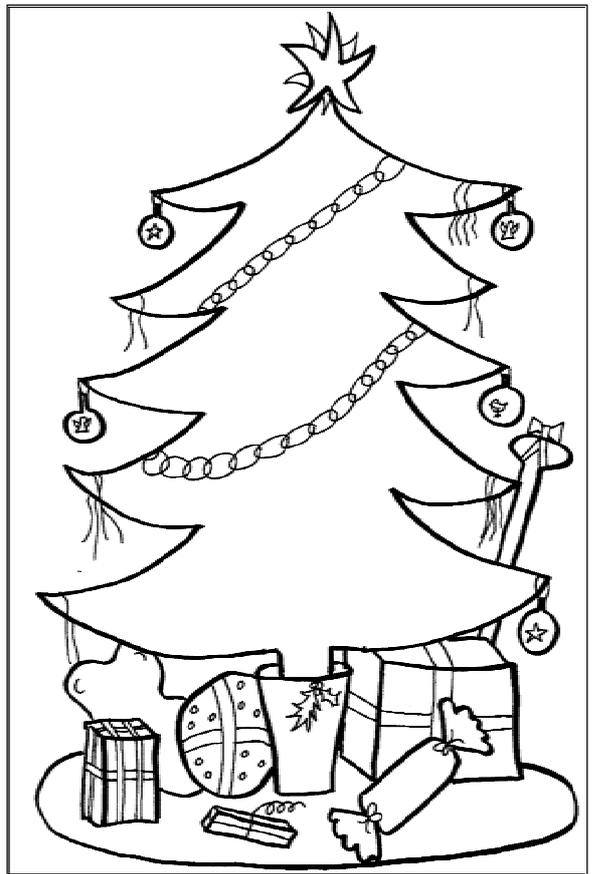

I spend my days in the field and always have time to greet passing humans, although being a little hard of hearing, they sometimes have to shout to catch my attention. We also get many birds and rabbits visiting us. They keep up to date with all the local news although the Magpies are dreadful for gossiping and I really don't believe half they tell me.

We donkeys do a great job in keeping fields tidy by eating the long grass and thistles. My recommendation for a long, happy and healthy life is to eat as many carrots and apples as possible, to take plenty of fresh air, even when it is raining or snowing and to be charming to all you meet. It is good to remember that it is neither polite to kick or bite or to chew the hats of your visitors, even when they have bobbles on them that look delicious.

## Spot the Difference

There are 10 differences between the two pictures - can you find them all

I don't spend much time on my appearance these days, but have my own teeth which enables me to smile in our donkey way. To smile is always good for the soul. If you visit me, remember to smile too as it always makes my day.

I'm tired of thinking of more wise things to say at the moment and I have my eye on a rather juicy looking thistle which is very distracting. I'll think of some more for another occasion.

Goodbye for now dear friends.

### Halkyn Mountain Parishes Youth Group/Biscuits represent the diocese on Youth Forum.

Five members of the group recently represented half of the newly formed St Asaph Diocese Youth Forum on a team building weekend of outward bound activities. The weekend was led by Mr Tim Feake, the Under 25s Officer for the diocese. Here are Tim's comments after the week-end -

*"We had our first St Asaph Youth Forum last weekend. It was fantastic. I was stunned by the faith, commitment and creativity of the young people involved. Their role in 20/20 vision and the future of the Church in Wales will hopefully be a significant one". Tim Feake.*

The group then set out their plans in the Time is Now Conference in Venue Cymru in Llandudno, a unique and exciting event in the history of the Church in Wales as it steps into the realms of its 20/20 Vision plans.

## From The Rev'd Hugh Burgess

Dear Friends

2014 is, as we all know, the Centenary of the beginning of the First World War and on the 4<sup>th</sup> August in two of the churches we held a very moving commemoration service to mark this event, as part of the Royal British Legion "Lights Out" event.

The marking of past historical events, and particularly those that are beyond the memory of the vast majority of people alive today, always carries some risk. In particular there is the risk that we somehow romanticise or over-simplify the historical realities. I recognise this risk and also understand the view that perhaps events of 100 years ago are no more important than, say, 150 or 200 years ago. However, I believe that it is important to recognise and to commemorate the events of The First World War and the significance that these have for many people in this country.

The First World War, apart from sowing the seeds of later conflicts which affected many people who are alive today, was the first truly industrial war in which civilian populations were significantly affected beyond the areas of immediate conflict. In this way we should be reminded that the nature of war changed in 1914 and that war affects all of us, however distant we may be from the actual conflict. Above all, however, our remembrance commemorations continue to remind us of the sacrifice of individual men and women who do their duty and pay the ultimate price. This is not to glorify war but to pay due respect and to remind ourselves that the impact of war reaches far beyond those alive at the time.

Today, the 1<sup>st</sup> November, marks the centenary of the Battle of Coronel, the first battle of the First World War. This is not a battle that most people will have heard of and it was fought in the Pacific, off the coast of Chile, resulting in the loss of two capital ships, HMS Good Hope and HMS Monmouth. Serving on HMS Monmouth was a young Royal Marine Bandsman, Ralph Perrett, who had joined the Marines Band as a boy in 1909. He played the violin, the clarinet

and the bassoon. Ralph went to sea on the Monmouth on 9<sup>th</sup> August, 1914 and died with all 734 of his comrades when the Monmouth was sunk on this night 100 years ago. Good Hope also sank with all hands. Ralph was my grandmother's brother and she lost both her brothers during the war as my other grandmother also lost her brother.

I think it is fair to say that the events of 100 years ago touched our family, as with many, many others, very deeply. In consequence, our "memory" also goes very deep and, while we want neither to wallow in that memory nor to glorify it in any way, we do want to commemorate those who died and to recognise that, somehow, we are here today partly because of and partly despite those events of 100 years ago. This is why remembrance of the events of 100 years ago is so important for us as well as for many others.

On a different, but actually not unrelated subject, we are moving quickly towards Christmas, which is another time for remembrance and reflection, as we look back at a much older event. Today we see, in the way that Christmas is largely celebrated, the impact that time has on historical events. For those who were in the stable on that first Christmas there was pain, dirt and fear as the baby came into the world. With the sanitising and distorting effect of time, these aspects of the Christmas story are largely forgotten today. However, we might remind ourselves that the true miracle of Christmas is that God chose to come into the world to share our humanity in all its ups and downs. Christmas is a reminder to us that God understands the pain of the world as well as the things that drive and motivate us and he chooses to walk alongside us on our human journey. Very often we lose sight of this in the complexity of our daily living. Christmas reminds us that God does not forget us.

I wish you every blessing this Christmas and a very good New Year

## ***Snippet from the Past***

The **Flintshire Observer & News** recorded a sad event in the edition dated 14 May 1914:

### ***Died on the Way to Market***

#### ***- Sudden Death of Mr. Alfred Vickers, Halkyn.***

On Friday morning the neighbourhoods of Holywell and Halkyn were stirred to an unwanted extent by the sudden death of Mr Alfred Vickers, of the Britannia Inn, Halkyn, while on his way to Holywell market. Mr. Vickers, in addition to being owner and licensee of the Britannia, carried on an extensive business as a butcher, attending Holywell Market Hall on a Friday, where he was the oldest stallholder, and Flint market on a Saturday.

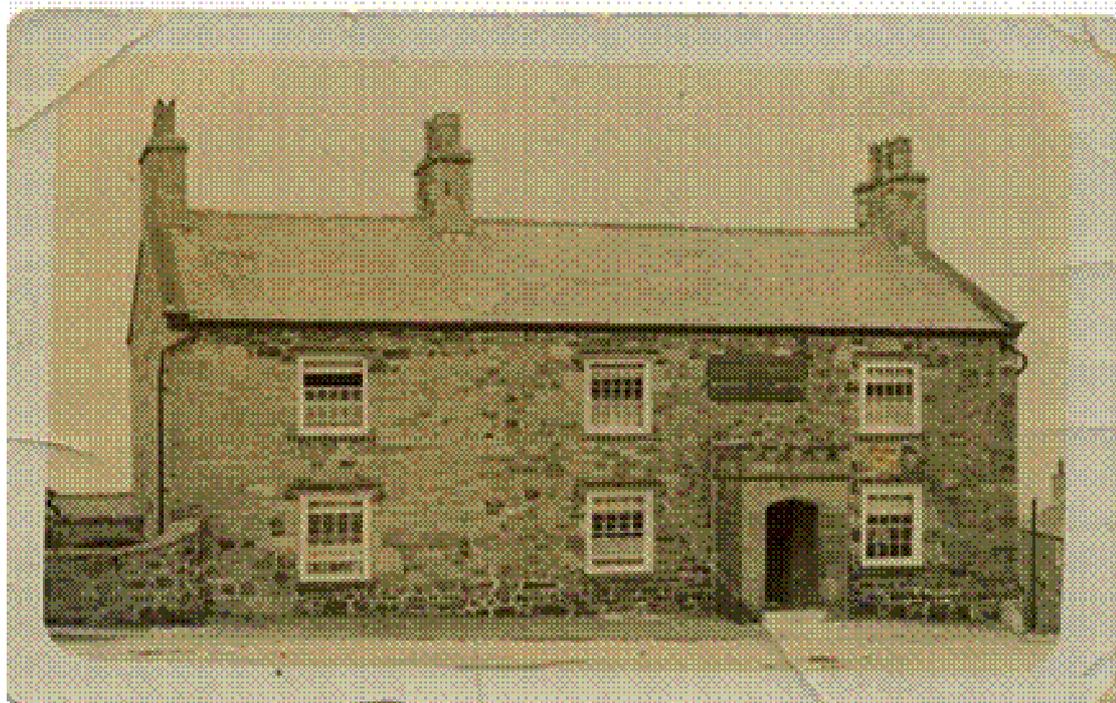

About half-past eight on Friday morning he and his son left the Britannia with a load of meat. Everything went well until they came in sight of Holywell.

Mr. Vickers, being apparently in good health. When passing Stamford Mr. Vickers' son, who sat alongside, noticed his father drooping. He stopped the horse and called assistance. Mrs. Davies, of Smalley's Cottages, opposite the Union Workhouse, went to his assistance. Then aid was obtained from the Workhouse, Mr. A. Roberts, the master, Mr. Hughes, the porter, and one of the nurses giving assistance. Mr. Vickers, it was seen, was quite unconscious. He was carried into the house, but death took place immediately. Dr. J. Owen Jones arrived, but Mr. Vickers was beyond human help. The deceased, who was 64 years of age, leaves a widow and thirteen children. He was twice married, and had five children by the first wife and eight by the second. Much sympathy is felt with the widow and family in the sudden bereavement they have sustained. Mr. Vickers was well-known throughout this part of the county, and much respected and esteemed by all. He was of a genial disposition and obliging in his manner. His death removes one of the most popular men and is a distinct loss for Halkyn.

Alfred Vickers, pictured above, was not alone in having the combined occupations of publican and butcher as his parents Thomas & Anne Vickers ran the George & Dragon Inn, Pentre Halkyn and previously the Bull Inn, with Thomas also being a butcher.

# Rhes y Cae News

## Village Hall

Many events were organised by the Rhes y Cae Village Hall Committee during the Summer and Autumn seasons; our grateful thanks to them all for their hard work in keeping our village hall alive with activity!

## Coffee Morning – Tuesday 12th August

There was an excellent turn out from people who live on Halkyn Mountain, bringing the mountain community closer together.

## Coffee Morning – Tuesday 16th September

Another enjoyable morning to raise funds for the Rhes y Cae Pensioners Christmas Party in December. Jill brought some lovely sweetpeas and they looked lovely on the tables.

## Harvest Supper – Wednesday 1<sup>st</sup> October at 8pm

It was held in the Village Hall after the service in Rhes y Cae Church. A nice treat to sit down and have an enjoyable hotpot followed by an auction of plants, fruit and vegetables from the displays in the Church.

## Times Past – Friday 17th October at 7:30pm

A Cheese and Wine Evening with a film show organised by Graham and Leila Wright – the place was packed! Everyone came early to make sure that there was enough room! It was a wonderful evening, which we will all remember for many years to come. Memories of times past at Rhes y Cae Shows, including the produce stalls, sheepdog trials, gymkhana and tug-o-war. Also, the school's Sports Days and Cyman fa Ganu (Singing Festival) at the Chapel. Sincere thanks to the Committee – especially to Leila & Graham.

## Lights Out – Monday 4th August at 10pm

Everyone was invited to bring their candles to a special candlelit vigil to mark the 100<sup>th</sup> Anniversary of the beginning of World War 1. All lights out by 11pm leaving a single candle lit for a shared moment of reflection to mark the occasion; many thanks to all who attended the service.

It was a very moving service with hymns and readings. Ieuan Ap Sion sang a song about Hedd Wyn from Trawsfynydd, a Welsh soldier who died during the First World War. Before going off to war, Hedd Wyn had entered a poetry competition at the National Eisteddfod held at Birkenhead. He was killed before he knew that he had won the Bardic Chair. The Chair was draped in a black cloth in his memory.

Many thanks to all who took part.

## A special Visit from America – 1st September

The relatives (three sister and their husbands) of Elinor Davidson (Bryn Rhedyn, Windmill), came to visit Rhes y Cae to remember their Great, Great, Great Grandfather – William Pierce, who unfortunately died in Bryn Gwiog Mine, Moel y Crio. They visited Ebenezer Chapel with Ieuan Ap Sion and he sang a lovely Welsh hymn; they also visited

the Church in Rhes y Cae and were able to see the interior of the Church and went on to see the gravestone of William Pierce. They walked along Church Terrace where the family lived and then on to visit Moel y Crio.

Following the accident that claimed William's life, two of his sons emigrated to America. Elinor's Great, Great, Great Grandfather and the Great, Great, Great Grandfather of the visiting sisters were brothers. Many thanks to Arthur (Elinor's first cousin) for his research in tracing the family history, which brought about this very special visit.

## Harvest Service on Wednesday 1st October 7pm

Many thanks to all who supported this service at Rhes y Cae Church. Our sincere thanks to Rev'd Hugh Burgess for conducting the service and to Colin for playing the organ and taking part in the readings with Peter.

The Church was beautifully decorated, especially the altar, font and windowsills – many thanks. Our grateful thanks to the management of Homebase (Mold) for their contribution of plants and tinned goods and to Glasdir Farm Shop for the fruit and vegetables. Finally, to David Hughes of Pen yr Orsedd Farm, Rhosesmor for providing the maize to decorate the pews.

## Gwasanaeth o Ddiolchgarwch on Monday 20th October

(Service of Thanksgiving at Rhes y Cae Chapel) All the lovely produce on display below the pulpit in the Chapel were from the local gardens of the Chapel members. The service was well attended and our sincere thanks to Rev'd David Owen of Rhosllanerchrugog, nr Wrexham, for taking the service.

## **Ysgol Brynffordd School**

We would like to welcome Halkyn Mountain News readers back to the new school year, hopefully after a restful summer break. We welcome the new parents who have joined us this year. We look forward to working with all in the forthcoming year. The children have all settled in extremely well and are keen to work. This term the infants class topic is 'Food' and the juniors is learning all about the Romans and Celts.

### **Jeans for Genes Day**

All staff and pupils came into school wearing their jeans on Friday 19<sup>th</sup> September, donating £1 towards the Jeans for Genes Day charity. This is a charity we have supported for a number of years and it is a good way to help children less fortunate than ourselves. We raised £71.20 for this worthy cause.

### **Taste of Flintshire themed lunch**

Ten schools (of which we were one) in Flintshire were chosen to participate in the Taste of Flintshire themed lunch which was held on Thursday 18<sup>th</sup> September. The meal provided on the day was all made of food produced locally, within a 20 mile radius of the school. The menu was Pork Meatballs in home made tomato sauce with herby diced potatoes, followed by fruit compote and yogurt. Members of the school Governing Body were invited to come into school and sample the tasty food Mrs. Oare, school cook, had prepared.

### **Police Visit**

PC Gail Sinclair our Police Liaison Officer came into school on the 18<sup>th</sup> September to talk to the children about anti social behaviour and communication.

### **MacMillans Biggest Coffee Morning**

This event was greatly supported by parents and Brynford residents who came along on the morning of Friday 27<sup>th</sup> September to enjoy coffee and cake in the school hall. Thank you to all who helped by donating cakes! We raised an enormous £262.65 for this worthwhile cause, an all time record for our school.

### **Parents Open Evening**

A Parents open evening was held on Tuesday 30<sup>th</sup> September. Parents were invited into school to discuss how their child had settled into the new term with the class teacher. During the evening an exciting display of books was available from Scholastic for parent to purchase in the hall. Following the book fair Ysgol Brynffordd is able to purchase £190 of free books for school!

### **Busy Bee Day**

A huge thank you to all the parents and staff who donated their time on Saturday 4<sup>th</sup> October to come into school and take part in our Busy Bee Day. The school grounds look lovely as a result of all your hard work!

### **Welcome**

A warm welcome to Mr. Simon Smith, a Bangor University student, who will be working in the Juniors until Christmas as part of his training.

### **Harvest**

The children took part in our annual Harvest service in Calcoed chapel on the morning of Monday 14<sup>th</sup> October. The service was well attended with the service led by the Reverend Stuart Elliott. Thank you to all who kindly donated tinned/packet foods which were given to Flintshire's Foodbank who distribute food packages to

the people within our community who have a low income.

### **Junior School Trip to Dewa Roman Experience**

As part of this terms topic 'Celts and Romans' the children in the juniors visited Chester to take part in the Dewa Roman Experience on Thursday 16<sup>th</sup> October.

### **50 Year Celebration**

The school held an open day on Saturday 18<sup>th</sup> October to mark 50 years of education in our current school building and 161 years of schooling in Brynford. Current and former pupils, staff, governors and anyone associated with the school attended with the building packed to capacity. Photographs were on display throughout the school for visitors to view and refreshments were available. Mr. Arfon Haines Davies, HTV presenter came along to join in with the celebrations and gave an opening speech where he fondly remembered his time at Ysgol Brynffordd. Mrs. Lorna Jenner, local historian helped produce a commemorative booklet which was given to each child presently attending Ysgol Brynffordd along with commemorative mugs which were kindly donated by the Community Council. The children performed a pageant on the day re-enacting the timeline of Ysgol Brynffordd history from 1853 to present day. If you would like to purchase a copy of the commemorative booklet they are available for sale at the school office for £4 – A lovely Christmas present.

### **Infant School Trip to Dangerpoint**

The children from reception through to year 2 had the opportunity to visit Dangerpoint to learn about safety in the home and in their environment on Tuesday 21<sup>st</sup> October. Both children and staff found the trip a worthwhile educational visit which was very informative. This coincided with one of our Eco targets on safety.

### **Scary Disco**

Thank you to FOBS who organised yet another successful Scary Disco for the children on the evening of Thursday 23<sup>rd</sup> October. The children attended dressed in an array of costumes and thoroughly enjoyed themselves. A huge thank you to Terry (an ex pupil) and Jude, mobile disco, who helped make the evening a success!

### **Urdd**

Children and staff came into school dressed in something red, white and/or green (Urdd colours) on Friday 24<sup>th</sup> October to help raise money for the Urdd Eisteddfod which is to be held in Flint in 2016. The children raised £70 which will go towards the £15,000 target the Halkyn Mountain area alone needs to raise for the Eisteddfod.

### **Children in Need – Friday 14<sup>th</sup> November**

The children will be able to come into school dressed as a 'hero' which falls in with this years Children in Need theme 'it's time to be a hero'.

### **Christmas Fayre**

Our annual Christmas Fayre will be held on the evening of Thursday 27<sup>th</sup> November at 6pm. There will be a selection of stalls along with a special visit from Father Christmas.

Please come along to support your local school.

## Ysgol Rhos Helyg

Once again it has been a very busy half term with lots of interesting things happening.

### Nursery Class

A very warm welcome to the pupils of our Nursery class. I'm sure that they will be very happy during their time at the school. Also a very warm welcome to new parents at Rhos Helyg, I am sure that you will be welcomed warmly into our school community.

The Reception pupils are now coming to school for a full day and although a little tired towards the end of the afternoon are having a fabulous time here.

### PC Jones

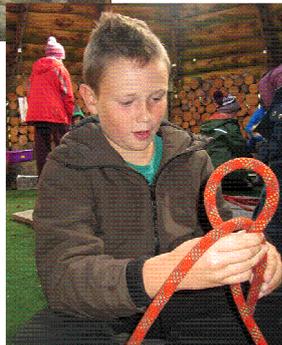

PC Jones came to talk to Pupils in Years 2,4 and 6 as part of the National programme organised by the Welsh Assembly.

### Literacy in the Outdoors

Pupils in Year 6 have been doing lots of work on the novel Kensuke's Kingdom by Michael Morpurgo. They have

particularly enjoyed doing bush craft activities with Jo Parkinson in the outdoor area of the school. It has been a fabulous project with three outdoor sessions being the highlight of the term so far.

### Tasting Fruit

Pupils in early years have been tasting fruit as part of their topic work.

They have also been baking cakes.

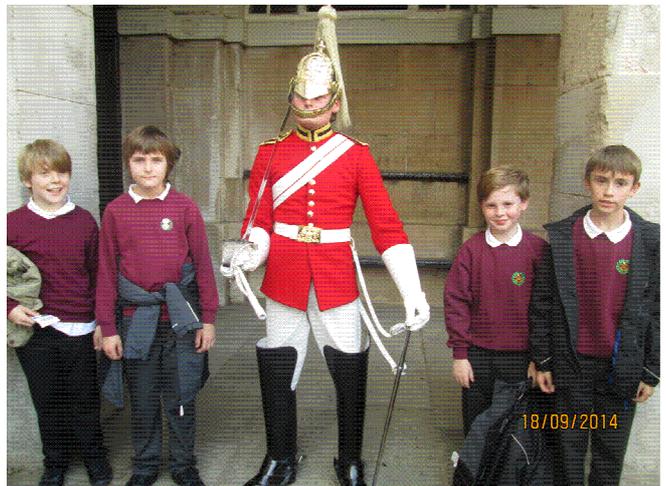

### London Trip

The annual trip to London by year 6 pupils took place in September this year. As usual they visited The Houses of Parliament, where they were given a very interesting guided tour before undertaking an educational workshop.

Afterwards they took in some of the sights before finishing off with a West End Show. This year they watched Matilda, which was great.

### Looking after our Chickens

Pupils in Early years have enjoyed their visits to help look after our chickens. As part of their duties they have been making sure that the chickens have enough food and water.

### Squash Road Show

Once again we have been working closely with Flintshire to introduce sports taster sessions to school. This year the children had the opportunity to have a squash taster session which they thoroughly enjoyed.

### Cooking

Pupils in Year 2 have been making French bread pizza as part of their topic work on France.

### Outdoor Learning

Pupils in Year 4/5 have spent the day at Presthaven sands with the Flintshire Outdoor Learning Team. The coastal session was wonderful and the

children learned a great deal by doing various activities. There is nothing like a trip to the beach to stimulate children – no matter what the weather!

### Harvest Service

We finished this half term with our Harvest service, it was well attended and pupils brought in items for our Harvest display. The food items were donated to Save The Family. A collection for Barnardo's raised just over £100.

### PTA Events

Our annual sponsored walk to The Blue Bell for the Infants and to Rhos Y Cae for the Juniors took place on the first Saturday in October. Everybody enjoyed the walk nearly as much as their hot dogs on completion of the walk back at Rhos Helyg.

We finished the half term off with a fancy dress disco. The evening was well supported and the quality of costumes was excellent.

Once again the school is extremely grateful to the PTA for their hard work which has raised well over a £500 since September.

## ***Halkyn and District Bowls Club***

We couldn't have had a better hot summer season for bowls if we had ordered it. Unfortunately, now it's finished but we certainly enjoyed it

The three teams just about held their own. There were some very close games when only 1 point made the difference between winning and losing. I can only think that our opponents are getting better quicker than we are. Our Merit winners were: Mick Carpenter, Linda Kirkham and Neil Barnett. Linda did extremely well in the league playoffs.

Our club competitions are always popular especially when the sun shines. The mixed singles cup was won by Andrew Jones. The consolation cup was won by Neil Barnett and the overall winners' cup by Gladys Bunnell. The last tournament of the season is anticipated especially by the men. The ladies pull out all the stops to try to beat them but they tell us we lost. Look out men - one day we will win.

The ladies were invited to Prestatyn to play. The weather and food couldn't have been better, the

bowling was pretty good too. The club also travelled to Middlewich. This was another glorious day but unfortunately Halkyn didn't have a glorious win.

Halkyn have entered tournaments in Bagillt, Flint and Oakenholt and did well. Halkyn can be proud to say we got to the final of one of the league cups.

The 100 club winners were: Barlow, M. Mazuer, B. Evans and P. Worrall.

We have to thank Halkyn Community Council and Kingspan for their generous donations.

It seems a long time to the next season but time does fly - see you then.

Contacts are W. Worrall - 01352 710702 and L. Kirkham - 01352 740454 of

### Vice Captain's Day

On Saturday 9th August Club Vice Captain, Pat McDermott, greeted 165 members and guests to the first tee starting from 6:40 in the morning for the Vice Captain's Day competition. The last of the gents went out at 4 o'clock in the afternoon followed by the ladies for a 9 hole ladies competition.

The day was completed with the Prize Presentation and BBQ. Following the excellent BBQ the Vice Captain spoke briefly on the day's event and thanked all those involved for organising the day and making it such a success. This was followed by the presentation of prizes to the winners and runners up. Finally the prize for the Overall Winner of the Vice Captain's Day Competition was presented to Peter Davies, who won with a score of 40 points.

Each year the Club Captain chooses a charity that the club supports for his year in office. Pat, as Vice Captain for 2014, has chosen Macmillan Cancer Support to be the charity for his Captain's year of 2015. Thanks to the donations from all the competitors and the proceeds of the raffle at the presentation a total of £605.30 was raised on the day.

### Scratch Team Make it to Welsh Finals

Holywell Golf Club's Scratch Team made it through to the Welsh Team Championship Finals held at Pwllheli Golf Club Friday 15th - Sunday 17th August. You have to go back to 2003 to find the last time a Holywell Scratch Team qualified for the Welsh Team Championship Finals.

The team beat the host club in the 1st round 3-2 to make it through to the last 16 but then came up against a very strong Pennard Golf Club team, who beat them 4-1. Congratulations to this year's team on a superb effort.

A big thank you must go to JENKAR Shipping who provided shirts & sweaters for all the team members to wear.

### Pro-Captain Challenge Winners

Captain Don Fergusson and PGA Professional Matt Parsley led the way for the North Wales club at Dunham Forest Golf Club near Altrincham on Friday 22nd August.

They carded a 10-under-par round of 62 to win by two shots ahead of Simon Williamson and Vince Donohoe, of Lytham (Green Drive) Golf Club; Craig Phillips and Alan Gummery, from Nuneaton Golf Club (a finalist last year); and Freddy Valenti and Jeff Perkin, of Poulton Park Golf Club, who all tied for second spot.

The pair will now go to the £25,000 grand final, supported by Canopus, at the PGA Sultan course at Antalya Golf Club, Turkey, from November 26-27. They produced an impressively consistent round in

which they did not drop a shot and they claimed a vital nett eagle at the 14th hole.

“Matt played extremely well and made seven birdies,” said Don, 61, who plays off a handicap of 15 and has been a member at Hollywell since 1990. “I’m just pleased to be able to play a supporting role when you’ve made a score as good as 10-under-par. “It was a great day for the club which has been established since 1906; but we went there with no real hope of winning!” added the chartered engineer from Lixwm.

Matt Parsley is also the club secretary after being appointed head professional in 2000. “We went back to the club on the Friday night where we had a presentation night,” he said. “And we turned up as winners which is good for the profile of the club. There’s a lot of tradition associated with Holywell but I’ve certainly never reached a PGA final before so it meant a lot.”

Matt admitted that there was tension before and after finishing their round. “When you start to get towards double figures under par, you start to think about winning,” he said. “So we wanted to get as many birdies as possible to try and get there. And the captain made some excellent shots to keep us out in front. After we’d finished, we had to wait two hours for the rest of the field to come in and we could see some of them getting to eight-under-par. Finally though we knew we’d won it.”

(Pictured is Matt Parsley, right, and Don Fergusson congratulating each other on a job well done.)

**Annual PGA PRO-AM** – Took place on Friday 19th September. This was the 9th year of our Holywell Pro-Am and this year 21 teams competed. The best Team score on the day was 22 under par by Holywell’s own ‘Midweek Comp’ team with Professional Ian Keenan. Runners up on 17 under were ‘George Williams Insurance’ with their Professional Andy Barnett. (Picture shows Ian Keenan, left, with the Midweek Comp Team of Tim Saunders, Peter Saunders and Ben Thomas and Club Captain Don Fergusson, right.)

The Professional’s individual event was won by Ian Keenan from International Sports Management with a 6 under par 64.

We would like to thank all competitors, sponsors and staff who made this year’s event possible. A special thanks to event Sponsors: The Springfield Hotel, Pentre Halkyn, Under Armour Clothing and Lexus Chester.

## Halkyn Cricket Club

Halkyn’s 1st XI season drew to a close in fine, late summer weather at Pant Newydd against local rivals Carmel on Saturday 13th September. Carmel eventually edged to victory by seven wickets with only four balls remaining in the innings.

Halkyn’s early and mid-season form eventually deserted them and six consecutive defeats left the side in a mid-table SEVENTH position.

Halkyn’s 2nd XI also had a similar set of results and finished in FIFTH position.

### Presentation Evening 2014

Halkyn CC staged their presentation evening at the clubhouse on Saturday 4th October. Awards were presented by club treasurer Roger Bellis and former captain Owen Davies.

Award winners were as follows:

- 1st XI Batting Alex North
- 1st XI Bowling Alex North
- 2nd XI Batting Mike Briscoe
- 2nd XI Bowling David Odgers
- Young Player of the Year Under 18 yrs - Joint award shared between Kieran McLeod and Daniel Williams.

Medallions were also presented to all junior players. Gifts were also presented to Gail Jones, Jane Williams and Andrew Bellis in appreciation of all their work throughout 2014.
