There will be no extra contribution required from this Council.

Members were shown virtually the costings together with photographs of suggested equipment.

- (n) The Clerk advised, that Councillor David Roberts had brought the following concerns to his attention:

A junior match had to be called off recently due to the dog fouling. Councillor Roberts provided further information, including the provision of new signage.

The Clerk advised, that the Community Council were consulted by the County Council almost two years ago, seeking if they would relinquish the lease of the football pitch, whereby the County wished to transfer to the Football Club. Secondly, the gate (by the cattle grid) on the road that forks off this path, adjacent to the

lime kiln heading up the mountain; this gate does have an extended handle fitted, but apparently is not functioning correctly.

The Clerk advised, that he would have to consult initially with Rachael Watson the Halkyn Ranger, to ascertain as to whose responsibility are the gates.
