- (1) To increase the current precept for the forthcoming financial year from £53,000.00 to £63,000.00 – an increase of £10,000.00. The Clerk advised that the Band D property charge would be £45.82, an increase of £6.81p a year (17.46% - £0.57p extra per month).

In reaching their decision to increase the precept, the Council Members took into consideration the following: Until a precept increase a year ago, the Council's budget had not been increased for a number of years. This has reduced the level of funds in the general, ear-marked and emergency reserves budgets. During the past four years the Council have utilised funds totalling £42,000.00 from their reserves to enhance the children's play areas of Halkyn, Pentre Halkyn, Rhosesmor and Rhes Y Cae.

The increase will support the general Council running costs at approximately 9.96%, together with the increased costs for both the children's summer play scheme at £660.00 and street lighting electricity at £3,400.00 which equate to 7.5% of the increase to the current Council budget.
